

The Fire Safety Workshop 2010 - Fire Safety Engineering in Practice will be held on 17 March 2010 at the HK Polytechnic University. The Workshop strives to bring together leading experts in fire engineering throughout the world to share the latest advances in our field while learning through our past experiences. Participants can expect to receive a deeper insight into the Fire Safety Engineering (FSE) with the practical tips for the application of FSE. In order to show our support to this meaningful event, full sponsorship for free admission will be offered to members who are interested to participate the Workshop on first come first serve basis. Please complete the attached application form and send it to e-mail address at webadmin@chkfpa.org.hk on or before 9 March 2010. Upon receipt of the application form, successful applicant will be informed accordingly. Appended hereunder is the detail of the Workshop for your reference.

Date : 17.3.2010

Time : 0900 - 1230 hours

Venue : Chiang Chen Studio Theatre, The HK Polytechnic University
